

2021 DER OTT® Grüner Veltliner

DER OTT® in a new dimension - since vintage 2019 at the level of our single vineyard wines. Grüner Veltliner produced from the young vines of our best vineyards: Spiegel, Stein and Rosenberg (the grapes from the old vines are used for the single vineyard-interpretations). Spontaneously fermented on the full yeast in big wooden barrels of Franz Stockinger. The result impresses with deep fruit, Burgundian mouthfeel, a complex flavour composition and an elegant and concentrated structure.

In addition to AM BERG® and FASS 4®, the third in the group that combines the best of two areas. 100% organic and 100% handpicked grapes.
