

## 2021 Ried ROSENBERG 1ÖW Feuersbrunn Grüner Veltliner

Everything started with Rosenberg. The Veltliner vines, which are planted on it, are the oldest vines of the winery. We were aware of their potential and their strength from the beginning. The Rosenberg was then also my first official bottling of a single vineyard wine — till now it represents a powerful and durable type of Grüner Veltliner. This is partly due to the southerly exposed terraces, thus ensuring optimal solar radiation.

100% organic and 100% handpicked grapes.
